

To all members of Nagoya University:

Safety Confirmation Drill

2014

June 16th, Monday, 12pm

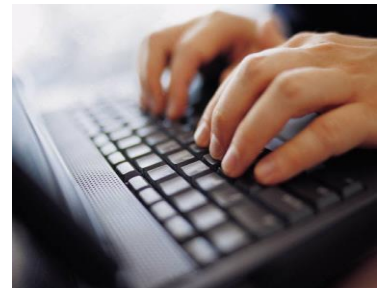

1. Register your mobile phone E-mail address for emergency contact via the Information Security Self-inspection at NU portal system.

2. Nagoya University will send you a safety confirmation request E-mail on June 16th.

3. Follow the instructions contained in the E-mail to confirm your current safety status.

 Please reply by June 20th 5pm. 

The purpose of the drill is to confirm whether your registered E-mail address is available for receiving emergency information from Nagoya University.
